201 KAR 28:150. Disciplinary proceedings.

RELATES TO: KRS 319A.190

STATUTORY AUTHORITY: KRS 319A.070(3), 319A.190

NECESSITY, FUNCTION, AND CONFORMITY: KRS Chapter 319A authorizes the board to promulgate administrative regulations establishing a procedure by which the board will institute actions against an OTR/L or a COTA/L for violation of the Act, and the administrative regulations promulgated thereto or for professional misconduct. This administrative regulation sets forth the procedure and process by which such complaints shall be instituted.

Section 1. Definitions. The following definitions, in conjunction with the provisions of 201 KAR 28:010, shall apply to this administrative regulation as well as 201 KAR 28:160:

- (1) "Chairman" means the chairman of the board.
- (2) "Investigative assistant" means an appropriately licensed individual designated by the board to assist the board's attorney in the investigation of a complaint or an investigator employed by the Attorney General.
- (3) "Complaint" means any written allegation alleging misconduct which might constitute a violation of KRS Chapter 319A or the administrative regulations promulgated thereunder by a licensed individual or other person.
- (4) "Charge" means a specific allegation contained in a formal complaint issued by the board alleging a violation of a specified provision of KRS Chapter 319A or the administrative regulations promulgated thereunder.
- (5) "Formal complaint" means a formal administrative pleading authorized by the board which sets forth charges against a licensed individual or other person and commences a formal disciplinary proceeding.
- (6) "Hearing officer" means the person designated and given authority by the board to preside over all proceedings pursuant to the issuance of any formal complaint.
- (7) "Informal proceedings" means proceedings instituted at any stage of the disciplinary process with the intent of reaching an informal dispensation of any matter without further recourse to formal disciplinary procedures.

Section 2. Reception of Complaints. (1) Complaints may be submitted by an individual, organization or entity. Complaints shall be in writing and shall be signed by the person offering the complaint. The board may also file a complaint based on information in its possession.

(2) Upon receipt of a complaint, a copy of the complaint shall be sent to the board's attorney for an initial review and preliminary recommendation of subsequent action to the board. A copy of the complaint shall also be sent to the individual named in the complaint along with a request for that individual's response to the complaint. The response of the individual shall be required for the next regularly scheduled meeting of the board except that the individual shall be allowed a period of twenty (20) days from the date of receipt to make a response.

Section 3. Preliminary Recommendations and Initial Board Review. (1) After the receipt of a complaint and the period for the individual's response has concluded, the board shall consider the preliminary recommendation of the board's attorney, the individual's response, and any other relevant material available to the board in the initial review of the complaint. The determination that the board makes at this point is whether or not there is enough evidence to warrant a formal investigation.

(2) When in the opinion of the board a complaint does not warrant the formal investigation of a complaint against an individual, the board shall notify both the complaining party and the individual of the outcome of the complaint.

(3) When in the opinion of the board a complaint warrants the formal investigation of a complaint against either a licensed individual or a person who is practicing occupational therapy without a license, the board shall authorize its attorney and a designated investigative assistant to investigate the matter and report their findings and recommendations to the board at their earliest opportunity.

Section 4. Results of Formal Investigation; Board Decision on Hearing. (1) Upon completion of the formal investigation, the board's attorney or the investigative assistant shall report to the board their findings and recommendations as to the proper disposition of the complaint. The determination that the board makes at this point is whether or not there is enough evidence to believe that a violation of the law or administrative regulations may have occurred and that a hearing should be held.

(2) When in the opinion of the board a complaint does not warrant the issuance of a formal complaint and the holding of a hearing, the complaint shall be dismissed or other appropriate action taken. The board shall notify both the complaining party and the individual of the outcome of the complaint.

(3) When in the opinion of the board a complaint warrants the issuance of a formal complaint, the board shall cause a complaint to be prepared stating clearly the charge or charges to be considered at the hearing. The formal complaint shall be signed by the chairman and served upon the individual as required by Section 6 of this administrative regulation.

(4) When in the opinion of the board a complaint warrants the issuance of a formal complaint against a person who is practicing occupational therapy without a license, the board shall cause a complaint to be prepared and signed by the chairman of the board, stating the board's belief the charges are based upon reliable information. The complaint shall be forwarded to the appropriate county attorney with a request that appropriate action be taken under KRS 319A.990. The board may also initiate action in Franklin Circuit Court for injunctive relief to stop the unauthorized practice of occupational therapy.

Section 5. Settlement by Informal Proceedings; Letter of Admonishment. (1) The board, through counsel may, at any time during this process, enter into informal proceedings with the individual who is the subject of the complaint for the purpose of appropriately dispensing with the matter. Any agreed order or settlement reached through this process shall be approved by the board and signed by the individual who is the subject of the complaint and the chairman of the board.

(2) The board may, at any time during this process, issue a letter of admonishment to the individual who is named in the complaint as a means of resolving the complaint. The action may be taken if it is determined by the board that this is an appropriate method of dispensing with the complaint. Such letter of admonishment shall be sent to the individual with a copy placed in the individual's permanent file. Within thirty (30) days of the date of the letter, the individual shall have the right to file a written response to the letter and have it attached to the letter of admonishment and placed in the permanent file. The individual shall also, within thirty (30) days of the date of the letter, have the right to appeal the letter of admonishment and be granted a full hearing on the complaint. If this appeal is requested, the board shall immediately file a formal complaint in regard to the matter and set a date for a hearing.

Section 6. Notice and Service of Process. (1) Any notice required by the Act or this administrative regulation shall be in writing, dated and signed by the chairman of the board.

(2) Service of notice and other process shall be made by hand-delivery or delivery by certified mail, return receipt requested, to the individual's last known address of which the board has record or, if known, by such service on the named individual's attorney of record, if appropriate. Refusal of service if by certified mail; or avoidance of service if hand-delivered shall not prevent the board from pursuing proceedings as may be appropriate.

(3) When notice of the initial date for the administrative hearing is given by either the board or the hearing officer, the notice shall be sent to the appropriate person at least twenty (20) days prior to the date of the hearing. (13 Ky.R. 1191; eff. 1-13-87; Am. 20 Ky.R. 1063; 1859; eff. 2-10-94.)

201 KAR 28:160. Administrative hearings.

RELATES TO: KRS 319A.190, 319A.200

STATUTORY AUTHORITY: KRS 319A.070(3), 319A.190

NECESSITY, FUNCTION, AND CONFORMITY: KRS Chapter 319A and KRS 319A.190 provide for promulgation of administrative regulations governing the conduct of administrative hearings authorized by the Act. This administrative regulation sets forth the procedure by which such hearings are to be conducted.

Section 1. Composition of the Board for Purposes of a Hearing. (1) Disciplinary actions may be heard by a quorum of the board members eligible to hear that particular case, the board's designated hearing officer, or both.

(2) The board may appoint a licensed attorney as a hearing officer to preside over the hearing, conduct all prehearing activities, prepare findings of fact and conclusions of law at the direction of the board, and provide legal advice to the board.

(3) A board member who has participated in the investigation of a disciplinary action or who has personal knowledge of the facts giving rise to a disciplinary action shall not sit as a member of the board hearing that particular action and shall not be considered an eligible member for purposes of determining a quorum.

(4) Staff members of the board, legal counsel for the board and a court stenographer may also be present for the hearing.

Section 2. Rights of the Licensee or Applicant. The licensee or applicant shall have the right to be present and to be heard at the hearing, to be represented by legal counsel, to present evidence, to cross-examine witnesses presented by the board, and to make both opening and closing statements. The licensee or applicant shall also have the right to have subpoenas issued in accordance with KRS 319A.070(2).

Section 3. Prehearing Disclosure of Evidence. (1) By the board. The names, addresses, and phone numbers of witnesses expected to be called by the board shall be made available upon request of the licensee or applicant. Copies of documentary evidence may be obtained upon the payment of a reasonable charge therefor, except documents protected from disclosure by state or federal law. Nothing in this section shall be construed as giving the licensee or applicant the right to examine or copy the personal notes, observations, or conclusions of the board's investigators nor shall it be construed as allowing access to the work product of legal counsel for the board. The licensee or applicant shall also be permitted to examine any items of tangible evidence in the possession of the board.

(2) By the licensee or applicant. At least ten (10) days prior to the scheduled hearing date the licensee or applicant shall furnish to the investigator or legal counsel for the board copies of any documents which the licensee or applicant intends to introduce at the hearing, and a list of the names, addresses, and home and work telephone numbers of any witnesses to be presented to the board by the licensee or applicant. The licensee or applicant shall also produce for inspection any items of tangible evidence within his possession or control which he intends to introduce at the hearing.

(3) Written response. At least ten (10) days prior to the scheduled hearing date, the licensee or applicant shall also file with the board a sworn (under oath) written response to the specific allegations contained in the notice of charges. Allegations not answered shall be deemed admitted. The board may for good cause permit the late filing of a response.

(4) Sanctions for failure to comply with prehearing disclosure. Should a party fail to comply with this section the board hearing the disciplinary action may refuse to allow into evidence such items or testimony as have not been disclosed, may continue the action to allow the opposing party a fair opportunity to meet the new evidence, or may make other orders as it deems appropriate.

(5) Continuing duty to disclose. After disclosure has been completed, each party shall remain under an obligation to disclose any new or additional items of evidence which the party intends to introduce or

witnesses the party intends to have testify. Additional disclosure shall take place as soon as practicable. Failure to disclose may result in the exclusion of the new evidence or testimony from the hearing.

Section 4. Order of Proceeding. (1) The hearing officer or presiding officer shall call the hearing to order and shall identify the parties to the action and the persons present and shall read the letter of notice and charges. The hearing officer shall then ask the parties to state any objections or motions. The hearing officer shall rule upon any objections or motions, subject to being overridden by a majority vote of the members of the board. Opening statements shall then be made, with the attorney for the board proceeding first. Either side may waive opening statement.

(2) The taking of proof shall commence with the calling of witnesses on behalf of the board. Such witnesses shall be examined first by the attorney for the board, then by the licensee or applicant or that person's attorney, and finally by members of the board. Rebuttal examination of witnesses shall proceed in the same order. Documents or other items may be introduced into evidence as appropriate.

(3) Upon conclusion of the case for the board, the licensee or applicant shall call its witnesses. The witnesses shall be examined first by the licensee or applicant or that person's attorney, then by the attorney for the board, and finally by the members of the board. Rebuttal examination of those witnesses shall proceed in the same order. Again, documents or other evidence may be introduced as appropriate.

(4) At the conclusion of the proof, the parties shall be afforded the opportunity to make a closing statement, with the attorney for the board always proceeding last. The hearing officer may impose reasonable limitations upon the time allowed for opening and closing statements.

(5) The hearing officer shall also be responsible for enforcing the general rules of conduct and decorum and expediting the hearing by keeping the testimony and exhibits relevant to the case.

Section 5. Rules of Evidence. (1) The board shall not be bound by the technical rules of evidence. The board may receive any evidence which it considers to be reliable, including testimony which would be hearsay if presented in a court of law. Documentary evidence may be admitted in the form of copies or excerpts, and need be authenticated only to the extent that the board is satisfied of its genuineness and accuracy. Tangible items may be received into evidence without the necessity of establishing a technical legal chain of custody so long as the board is satisfied that the item is what it is represented to be and that it is in substantially the same condition as it was at the time of the events under consideration.

(2) The board retains the discretion to exclude any evidence which it considers to be unreliable, incompetent, irrelevant, immaterial or unduly repetitious. Rulings on objections to evidence shall be made by the hearing officer but may be overridden by a majority vote of the eligible members of the board.

Section 6. Decisions by the Board. (1) Upon the conclusion of the hearing, the board shall retire into closed session for the purpose of deliberations.

(2) At the conclusion of the board's deliberations it shall propose an order based upon the evidence presented. The hearing officer shall draft a proposed order including findings of fact and conclusions of law consistent with the board's deliberations as well as a recommended order to be submitted to the full board.

Section 7. Final Approval by the Board. The board, at its next meeting, or as soon thereafter as may be arranged, shall review the proposed order and consider it for final approval.

Section 8. Continuances; Proceedings in Absentia. It is the policy of the board not to postpone cases which have been scheduled for hearing absent good cause. A request by a licensee or applicant for a continuance may be considered if communicated to the staff reasonably in advance of the scheduled hearing date and based upon good cause. The decision whether to grant a continuance shall be made by the hearing officer or chairman of the board. However, the burden is upon the licensee or applicant to be present at a scheduled hearing. Failure to appear at a scheduled hearing for which a continuance has not been granted in advance shall be deemed a waiver of the right to appear and the hearing shall be held as scheduled.
